Getting Started with ARTstor

**Finding ARTstor and Signing In**

**From on campus:** Go to ARTstor’s home page: [http://www.artstor.org](http://www.artstor.org). Choose “Go” to enter the Digital Library.

**From off-campus,** you have to use the Library’s database locator page to register the first time: [http://www.library.umass.edu/ndl/view](http://www.library.umass.edu/ndl/view)

On the bottom row is a link to “Images”. Click on it to go to a list of image databases.

Click on the ARTstor link.

On the next screen you will have to agree to ARTstor’s privacy policy. Once you agree, you will get to the main ARTstor page.

The next time you access ARTstor from off-campus, you do not need to go through the library pages. When you login through [www.artstor.org](http://www.artstor.org), the system will ask for your UMass information.

You then come to a page that will establish you as a UMass user. Fill in your UMass email ID and your password and click on “Login.”

View detailed maps of New England towns as
After you enter the Digital Library you will see the ARTstor main search page. You have to register before you can access the images. In the “Login to ARTstor” box, choose either the orange “Log In” button to sign in or the “Not registered?” link to get to the registration window. To register, enter your UMass email address and a password.

Once registered and signed in, you will come to…

The ARTstor Home Screen

Clicking the ARTstor Logo brings you back to this page

Search here by keyword…

or use the advanced search functions

Browse by different categories

Look at collections specific to UMass

Most of the menu commands are duplicated in the general screen

Information about and access to your personal collection (if an instructor)

Access to your groups and personal settings
