UMass Amherst Libraries Exam Proctoring Policy

The UMass Amherst Libraries do not provide proctoring services. Students taking exams for UMass Amherst courses should discuss proctoring options with their professors. Students registered with Disability Services, which offers exam proctoring for eligible students, should contact that office (<http://www.umass.edu/disability/students/accommodations-students/exam-proctoring-procedures>). Students taking exams for non-UMass Amherst courses should discuss proctoring options with the school offering those courses.
