SEL provides circulation services, group study rooms with computers, individual computer stations, wireless access, quiet study space, a photocopier, print stations, scanners, a computer classroom, and exhibit space. SEL is wheelchair accessible.

The Science and Engineering Library (SEL) in Lederle Lowrise on Floor 2 is the primary location for resources in the natural and physical sciences, mathematics, and engineering. (Medicine and health-related materials are in the W. E. B. Du Bois Library.)
