

User Experience and Web Services Librarian

Librarian I or II

The [UMass Amherst Libraries](http://libraries.umass.edu) seeks a dynamic and innovative User Experience and Web Services Librarian. Under the direction of the Associate Dean for Library Technology, this position is instrumental in developing, implementing and assessing user interfaces in support of all departments in the library. It functions as part of a collaborative, user oriented team that supports library information systems and infrastructure. It also contributes to the overall Library Technology Services support effort.

For more information, including minimum qualifications and application instructions, please visit <http://careers.umass.edu/amherst/en-us/job/503122/user-experience-and-web-services-librarian>. Submit a letter of application, resume, cover letter, and contact information (phone and email) for three professional references by November 1, 2019 for priority consideration. Applications will be accepted until the position is filled.

University of Massachusetts Amherst is an Affirmative Action/Equal Opportunity Employer of women, minorities, protected veterans, and individuals with disabilities and encourages applications from these and other protected group members.
